

AMBASSADORS FOR CHRIST

A community supporting those reaching out cross-culturally
rpglobalmissions.org/ambassadors

True fellowship is founded in Christian fellowship. "How good and pleasant it is when brothers dwell together in unity" (Psalm 133:1).

HOW CAN I REACH INTERNATIONALS NEAR ME?

You have love for people of other cultures but you are not sure how to cross

cultures with the gospel. What if there was ongoing training for you?

Ambassadors may be for you.

CAN I SERVE WITHOUT GOING FAR AWAY?

You want to be an ambassador for Christ to the nations but are not ready to go overseas. What if you could co-labor with others on mission to the nations near you?
Ambassadors may be for you.

HOW DO I REACH OUT?

You have seen people in your midst who have a very different culture and language? Do you want to speak of Christ to them? How do you start?
Ambassadors may be for you.

THE AMBASSADORS COMMUNITY

- We commit to establishing and strengthening Reformed Presbyterian churches
- Our teams will gather weekly for encouragement, accountability, and prayer. Once a month, we will gather virtually for training, testifying, and prayer.
- We will employ our Missionary Cross Training curriculum as we minister cross-culturally.
- Our goal is two-fold:
 - Repentance, salvation, and sanctification for the nations in our midst.
 - New churches planted—with locally-trained elders.
